

K-LOVE provides a radio message that is safe and encouraging for families in my community. The message is positive and encouraging, it offers phone numbers to help those people in need, in my community.

If K-LOVE were to be displaced by a LPFM I am lose my "safe harbor" on my radio dial. Displacing a station that provides positive, encouraging and helpful ideals is detrimental to my community.

K-LOVE radio instills wholesome family values and provides a positive and encouraging impact on my community.
